(1) **Student of the Year award or Faculty of the Year “Presented by” acknowledgement AND Junior Reception or Graduation Reception “Presented by” acknowledgement**: This benefit option will be provided to employers on a first come, first served basis at the Platinum level only, allowing employers to gain company awareness at our main event of the year.

(2) **Advertorial of company to be profiled on Co-op website**: The UBC Engineering Co-op Program will extend a customized advertorial to the Platinum level sponsor on the UBC Engineering Co-op website. This benefit will be seen on the main landing page, with a link to the complete story located on our website.

(3) **Priority notice for co-op speaking engagements**: The UBC Engineering Co-op Program engages in student workshops, panels, and information sessions. Priority notice will be given to sponsors for all Co-op and Professional Development events.

(4) **Featured job postings and application concierge**: Featured job postings will be offered to our Platinum, Gold, and Silver Sponsors. This will include the sponsor’s posting featured in weekly emails, and on our PD Portal. Platinum, Gold, and Silver Sponsors will also enjoy a customized job concierge that will allow employers to receive specific follow up communications, encrypted application bundles, and candidate recommendations by a Co-op Coordinator.
