I understand and agree to comply with all of the following terms and conditions:

1. REGISTRATION

   1.1 To be registered by the UBC Engineering Co-op office administration in one co-op course for each four-month work term period when I have secured co-op employment.

   1.2 To pay the co-op course tuition for every co-op work term (consecutive or not) by the due dates specified in the UBC Calendar whether I secure a co-op placement through the Co-op Program or through my personalized job search.

2. INFORMATION RELEASE

3. CO-OP WORKSHOPS / PRE-EMPLOYMENT TRAINING

   3.1 To pay the co-op pre-employment workshop fee by the deadline set by the Co-op Program, and understand that this fee is non-refundable and does not guarantee acceptance to the Co-op Program.

4. ACADEMIC PERFORMANCE & STUDENT CONDUCT

   4.1 To maintain a minimum, cumulative grade average of 68% to remain in the Co-op Program.

   4.2 To behave appropriately and according to all UBC policies, procedures and guidelines for the duration of my participation in the Co-op Program, whether on an academic term at UBC or on a co-op work term.
4.3 That any disciplinary action imposed on me by the University, whether for academic or non-academic misconduct, may result in my dismissal from the Co-op Program.

| 5.3 | To inform a Coordinator, immediately or no later than 36 hours, of any inappropriate, unsafe, and/or unethical behaviour or treatment during the Co-op Program, including during an interview or in the workplace. |

6. JOB SEARCH PROCESS

| 6.1 | That the Co-op Program does not, and cannot, guarantee employment during a co-op work term. I will be actively engaged in the job search, through positions posted on the PDPortal and through my own personalized efforts. It is ultimately my responsibility to secure co-op work term employment. |

| 7.2 | That the Co-op office or a Coordinator may, if necessary, select interview times on my behalf. |

### 7.5 To contact a Coordinator if I have any issues or concerns with a job directly after attending an interview.

### 8. JOB OFFERS

#### 8.1 That I will accept or reject all job offers through a Co-op Coordinator or designated Co-op staff. I will consult with a Coordinator before accepting a job offer external to PD Portal and allow him/her to contact this employer to ensure the position satisfies the criteria of a co-op work term and to inform the employer of the co-op guidelines.

#### 8.2 That I will be required to pay the necessary travel and/or relocation expenses (including housing), if not subsidized by the company, when accepting positions not within close proximity of my current home or campus.

#### 8.3 To respond to a co-op job offer, indicating whether I will accept or decline the offer within 2 business days.

#### 8.5 That once I have signed an offer of employment and/or agree to a verbal offer of employment, I have a professional and ethical obligation to satisfy the requirements of my employment contract. If I break my contract of employment, for a position secured through co-op or via my personal job search efforts, I will not be satisfying the conditions of the Co-op Program and will be assigned a ‘Fail’ grade for the co-op course and withdrawn from the Program.

#### 8.6 That once I have accepted an offer (either verbally or in writing), I will not accept any other offers or requests for interviews for the work term(s) covered by the employment contract.

#### 8.7 That if I return to a co-op employer for any subsequent co-op work term, whether consecutive work terms or not, I will be registered in the co-op course and pay the co-op course tuition.

### 9. THE WORK TERM

#### 9.1 That I am responsible to ensure I have the appropriate documentation, e.g. work permit, visa, Social Insurance Number (SIN), health insurance, and so forth, prior to commencing the work term.

#### 9.2 That while on a co-op work term I am an employee of the employer and not an employee or agent of the University. In all matters relating to work activities, I am under the supervision and direction of the employer and not under the supervision and direction of the University.

#### 9.3 That employment during each co-op work term must be full-time and remunerated.

#### 9.4 To inform my employer immediately or no later than 36 hours of any inappropriate, unsafe, and/or unethical behaviour or treatment during a co-op work term.

#### 9.5 To comply with all policies and procedures of my employer, including policies regarding use of social media, cell phones, company vehicles, and confidential/proprietary information, both during and after a work term.

#### 9.6 To follow the procedures as outlined in the UBC Engineering Co-op Work Term Checklist and UBC Engineering Co-op Student Handbook.
9.7 That I am required to submit a Work Term assignment for every co-op work term (whether or not any of my placements span multiple consecutive work terms) and that I am aware that each assignment is due as outlined in the UBC Engineering Co-op Student Handbook. - I notify a Coordinator, to confirm the employer is aware that I am unable to complete the work term;
- I provide a Coordinator, where appropriate, with a supporting letter from my doctor or medical certificate indicating I cannot complete the term;
- A Coordinator determines that my performance and learning process on the co-op work term to date have been satisfactory; and

- Removal by the employer for cause;
- Unsatisfactory performance as determined by the employer;
- Failure to submit required documents to the Co-op office.

**12.2** That acceptance of a job offer spanning multiple consecutive co-op work terms necessitates my completion of all requirements for all work terms and that if I terminate the work agreement early without the consent of a Coordinator, I may be assessed a failing grade for each work term placements.
